

I'm here - Written by Joey Haenen and Sage Wilde

Capo 3rd fret Chords - G Gmaj7/F# A7sus4 Cmaj6 D11

G G/F#

I need some time, dear

A7sus4

To figure out

Cmaj6  
How to get down with house in my head

G

G/F#  
Won't board up the windows yet

A7sus4  
Need that cool breeze

Cmaj6  
Need to breathe and trust the process

G  
Cause if I won't love me

G/F#  
Then I'll stay lonely

A7sus4  
I've got all I need

Cmaj6  
Right here

Inst : G G/F# A7sus4 x2

G G/F#  
We've all been hurt before

A7sus4  
Pulled up the roots that rot

Cmaj6  
Replant in my terracotta pot

G G/F#  
I speak Sun and Trees,

A7sus4  
Feel the red ground,

Cmaj6  
Witness the sounds of hearts and your beat.

G  
Cause if I won't love me

G/F#  
Then I'll stay lonely

A7sus4  
I've got all I need

<sup>Cmaj6</sup>  
Right here

<sup>G</sup>  
I am gold and free

<sup>G/F#</sup>  
No one has got a hold of me

<sup>A7sus4</sup>  
Cause I've got all I need

<sup>Cmaj6</sup>  
I'm here

<sup>A7sus4</sup>  
We've all got flaws

<sup>D11</sup>  
Peaks, falls and more,

<sup>Em</sup>  
I deserve health,

<sup>A7sus4</sup>  
To hold dreams, love, wealth

<sup>Cmaj6</sup>  
I'll take the dive

<sup>G</sup> <sup>G/F#</sup>  
I've got nothing to prove,

<sup>A7sus4</sup>  
Read me to bed,

<sup>Cmaj6</sup>  
Dream I'll meet you ahead of my time.
